Here...

Blood Arts...  
Huh?

From the way  
it's written, it boils  
your blood...

Is that even  
possible?

Ah,  
that one?

That's just according to the rumors. The actual technique is completely different!

Hmm?

하들박

UWAAA!

You scared me!

I didn't mean to scare you~

Ah~ Really!

You should've told me if you're here!

What did you mean when you said that Blood Arts is completely different?

For your information,

I'm not interested in the technique, so don't get me wrong!

The Blood Arts  
is a visionary  
technique from  
Jung-Guk Gates...

...that allows one to  
expel extreme amounts  
of Yang Ki as they wish.  
It's one of the highest  
ranked techniques in  
the world!

The amount of Yang Ki  
that is produced from  
this technique is so great  
that witnessing someone  
master it is extremely  
difficult.

On top of  
that, like all the  
other high-ranked  
techniques,

There is a  
greater risk of Ki  
Poisoning, due to the  
amount of Yang Ki  
required.

Hmm...  
Having that  
as your first  
technique is  
gonna be  
tough...

What?

Ah.

It's nothing.

Well then,  
have fun  
reading that  
book~

~~~~~  
~~~~~  
~~~~~  
~~~~~

Sigh...

Why did  
she come  
here...

The Fairytales of Japan

Park Sang-Woo  
Illustrated

Chapter 5  
Beauty and The Beast - 141

Your body  
is nimble. I'll  
give you that.

This is serious!  
No matter how you  
look at it, he's not  
someone who's had  
Ki Poisoning!

Rather, it  
feels as though  
he'd completed  
the 4th Rank of  
Blood Arts!

Hmph.

I can tell  
what you're  
thinking  
already.

!

Yes. I fell into  
Ki Poisoning while  
mastering the 4th  
Rank of Blood Arts.

It wouldn't be  
surprising if I'd died,  
since my blood keeps  
hitting its boiling  
point...

because...

*of that bastard  
master of yours,  
Ma Seol-chun!*

Brother.

W

Oh,  
Seol-chun.

I can't believe  
he ordered you  
to train in  
confinement...

Even for  
my father,  
this is asking  
too much.

Don't  
think of it  
that way.

It can't be  
helped, since our  
master wishes for  
me to complete the  
Blood Arts as soon  
as possible.

Yes...

For the sake of  
the next clan  
leader...

the Blood  
Arts must be  
completed...

Then...

I leave the  
master in your  
care during my  
training

Yes

That goes  
without saying

You...

Why did  
you...

Father...

passed  
away...

just like that:  
without even  
accomplishing  
anything...

11

But there's  
one thing I  
couldn't  
understand.

Rather than  
giving the position  
of the clan leader  
to his heir...

...H

he planned on  
giving it to you  
instead!

Only those who  
master the Blood Arts  
are allowed to become  
the clan leader.

In that  
case...

I can no  
longer allow  
you to...

to master the  
Blood Arts under  
my watch!

...

So that's  
why...

No wonder why  
the elder wanted  
me to become the  
clan leader, rather  
than you.

Our master  
probably...

saw that  
disgusting  
greed in  
you!

What are  
you guys  
doing?

Please put my  
brother, who suffers  
from Ki Poisoning,  
to rest!

You...

Ma  
Seol-chun!!

Loyalty...

Punishing those  
who have abandoned  
their loyalty...

01  
000000

has been  
my law...

ever since I  
miraculously came  
to possess the Ice  
Orb Cloak.

narrowly  
escaping death.

Now that I  
have mastered  
the Blood Arts...

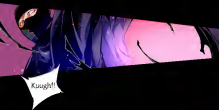

You'll be  
the starting  
point for...

paying off part  
of your master's  
debt!

Ugh...!

Could it be?!

Huh...?

...?!

?!?
